

Construction Update: Steveston Interchange Project

Temporary Office Setup Starting August 8, 2022

August 2022

As part of the Province of B.C.'s Steveston Interchange Project, which will expand the interchange from two to five lanes, crews will set up a temporary office facility on the west side of Highway 99 within the Province's right-of-way. There will be trucks and equipment involved in the set up, but there will be no traffic impacts.

Throughout the project, most notifications will be distributed by email. Please sign up for e-notifications at highway99tunnel.ca/newsletter.

If you have any questions about construction, please email StevestonProject@flatironcorp.com or call the construction information phone line (24/7) at 1-888-270-1075.
