

Construction Update: Steveston Interchange

Project Site Office Setup – Adjacent to 12951 Rice Mill Road

June 2023

As part of the Province of B.C.'s Steveston Interchange Project, which will expand the interchange from two to five lanes, crews will set up a modular office for construction personnel on Rice Mill Road, within the Province's right-of-way. Trucks and equipment will be involved in the set up, but no traffic impacts are expected.

Throughout the project, most notifications will be distributed by email. Please sign up for e-notifications at highway99tunnel.ca/newsletter.

If you have any questions about construction, please email StevestonProject@flatironcorp.com or call the construction information phone line (24/7) at 1-888-270-1075.
