

## Construction Update: Steveston Interchange Project

### Full Highway 99 Closure on May 28, 2023

May 2023

As part of the new five-lane Steveston Interchange Project, Highway 99 north and south will be closed to traffic for a short duration overnight between 11 p.m. on May 28 and 4:30 a.m. on May 29. The closure is needed to ensure crews can safely move heavy machinery across Highway 99.

Vehicles will be detoured up and over the on- and off-ramps along Steveston Highway. The work is being completed overnight to minimize daytime traffic disruptions.

If you have any questions about construction, please email [StevestonProject@flatironcorp.com](mailto:StevestonProject@flatironcorp.com) or call the 24/7 construction information phone line at 1-888-270-1075.
