

Construction Update: Steveston Interchange Project

Full Highway 99 Closure on July 12, 2023

July 2023

As part of the new five-lane Steveston Interchange Project, Highway 99 north and south will be closed to traffic for a short duration overnight between 11 p.m. on July 12 and 4:30 a.m. on July 13. The closure is needed to ensure crews can safely move heavy machinery across Highway 99 from the northwest quadrant to the northeast quadrant.

Vehicles will be detoured up and over the on and off ramps along Steveston Highway. The work is being completed overnight to minimize daytime traffic disruptions.

If you have any questions about construction, please email StevestonProject@flatironcorp.com or call the construction information phone line (24/7) at 1-888-270-1075
