

## Steveston Interchange Project

### Traffic Impact: Full Overnight Highway 99 Closure on January 26, 2024

January 2024

**Note:** This notice was last updated on January 24.

As part of the Steveston Interchange Project, which will expand the interchange from two to five lanes, Highway 99 northbound and southbound will be closed to traffic overnight between 11 p.m. on January 26 and 4:30 a.m. on January 27. The closure is needed to ensure crews can safely move heavy machinery across Highway 99 from the northeast to the northwest quadrant.

Vehicles will be detoured utilizing the on and off ramps along Steveston Highway. The work is being completed overnight to minimize traffic disruptions.

If you have any questions about construction, please email [StevestonProject@flatironcorp.com](mailto:StevestonProject@flatironcorp.com) or call the construction information phone line (24/7) at 1-888-270-1075.
