

Steveston Interchange Project

Traffic Impact: Full Overnight Highway 99 Closure on March 19, 2024

March 2024

As part of the Steveston Interchange Project, which will expand the interchange from two to five lanes, Highway 99 northbound and southbound will be closed to traffic overnight between 11 p.m. on March 19 and 4:30 a.m. on March 20. The closure is needed to ensure crews can safely move heavy machinery across Highway 99 from the northwest to the northeast quadrant.

Vehicles will be detoured utilizing the on and off ramps along Steveston Highway. The work is being completed overnight to minimize traffic disruptions.

If you have any questions about construction, please email StevestonProject@flatironcorp.com or call the construction information phone line (24/7) at 1-888-270-1075.

What to Expect

Timing

- > March 19 to March 20

Hours of Work

- > Nighttime from 11 p.m. to 4:30 a.m.

Traffic

- > Highway 99 closure for one night on March 19-20
- > Traffic will be rerouted utilizing on and off ramps

Impacts/Interruptions

- > Expect minor delays
- > Moderate noise from construction equipment
