**Highway 99
Tunnel Program**
FRASER RIVER TUNNEL

NOTICE: GEOTECHNICAL WORK IN THE FRASER RIVER

In-river geotechnical work will start in early November 2024 and continue to mid-February 2025.

- Crews will work seven days per week on day and night shifts from barges in the river.
- Recreational boaters should use caution when transiting through the area outlined below.
- For weekly NAVWARNS, visit the [Marine Communications and Traffic Services](#) of the Canadian Coast Guard.

This work is part of the Fraser River Tunnel Project.
