Special Requests or Additional Information:

During this stage mariners are advised to avoid the geotechnical staging area (north administrative safety zone) and **navigate via the main navigation channel**, as illustrated in the exhibit below.

Marine construction equipment will be sited throughout the geotechnical staging area identified as the "Marine Construction Staging Area" in the exhibit below.

Specific marine construction staging equipment locations will be noted on the project daily notifications, issued daily to the Fraser River Pilots and Council of Marine Carriers before 0800h each day.
