## Fraser River Tunnel Project: Overnight Lane Closures in the George Massey Tunnel

---

As part of ongoing preparations for construction of the new toll-free, eight-lane tunnel to replace the existing George Massey Tunnel, crews will conduct overnight work in the tunnel.

**Starting January 11** and continuing through March, single-lane closures will be in effect overnight, so crews can carry out maintenance work.

- Nightly lane closures will be in effect for up to seven days per week:
  - **Monday – Friday:** 10 p.m. to 5 a.m. (northbound) or 6 a.m. (southbound).
  - **Saturday – Sunday:** 10 p.m. to 7 a.m.
- Travel in both directions will be maintained at all times.
- Signs will be posted and traffic-control personnel will be on site.

### Contact

More information on the Fraser River Tunnel Project can be found at [highway99tunnel.ca](http://highway99tunnel.ca) or you can submit questions and feedback to [highway99tunnelprogram@gov.bc.ca](mailto:highway99tunnelprogram@gov.bc.ca).

Throughout the life of the project, notifications will be distributed by email and posted on our website. If you have not already, please sign up for notifications at [Highway99Tunnel.ca/newsletter](http://Highway99Tunnel.ca/newsletter).
