Fraser River Tunnel Project

DAILY NAVIGATION NOTIFICATION

August 20, 2026

This Daily Notification provides an update on the status of Preparatory Works Construction for the Fraser River Tunnel Project. These daily updates are a supplement to the weekly NAVWARN (if applicable) which should be referred to for further details of the project. Figures are for illustrative purposes only and not to be referenced for navigation purposes.

Navigation Channel Status: Main Navigation Channel Open – No Restriction

Summary of Activities:

Casting Basin Combi-Wall Material Offloading:

Today's activities include pipe and sheet pile material offloading near the shoreline of Deas Island, refer to Figure 1, and 2.

Marine equipment includes the D. Reid Marine Derrick – **Vessel MMSI (AIS) – 316058931**, and Ocean Hauler Material Barge 250' x 72' x 12' **OR** Ocean Carrier Material Barge 250' x 72' x 12'. The work area is within Fraser River, outside of the Main Navigation Channel.

Works will occur between **0700 hrs to 1900 hrs**. Barges may remain onsite outside of normal operating hours.
