Navigation Warning Request

Organization Name: Cross Fraser Partnership (CFP) – Prime Contractor

Fraser River Pile & Dredge (GP) Inc. – Marine Subcontractor

Site Name: Fraser River Tunnel Project – Canfisco Bay Closure

Start Date and Time: October 27, 2026, at 0700 PST

End Date and Time: November 7, 2026, at 1900 PST

Location of Activity:

Sheet Pile Wall Installation at Canfisco Bay – Derrick and Scow Barge movement will be within Fraser River, outside of the Main Navigation Channel described by the polygon:

49°07'27.2"N 123°04'36.3"W

49°07'28.9"N 123°04'32.2"W

49°07'25.9"N 123°04'35.1"W

49°07'27.9"N 123°04'30.7"W

Brief Description of Work:

Derrick Barge FRPD 'GE 2' will be spudded down near the Canfisco Bay. Works involve sheet pile installation (pile driving), and scour protection placement, at the opening of the Canfisco Bay. Material scow barges transporting sheet piles to the marine construction site will be staged within the area shown in the Marine Equipment Staging Area exhibit below.

No navigation detours will be required for this activity as the barges will be located outside of the navigation channel.
